

Farm Camp @ Montclair Community Farms

ABOUT

Farm Camp is held at Montclair Community Farms* and supports youth development by promoting a positive interest in nature, historical living, and agriculture. Our mission is to provide the best camp experience for youth, while also providing a beneficial learning experience about food, animals, our earth, and its agricultural past. Camp sessions are similar in topic but divided by age to offer relevant activities for each week of camp. Our campers have the chance to be in the garden each day and participating in activities related to each age level's theme. This year the Montclair Community Farms, Montclair History Center, and Rutgers Cooperative Extension 4-H will be partnering for all camp sessions.

PARENT FACTS

- Youth must be potty trained to participate.
- Camp will be held rain or shine and we will do our best to keep the camp out-doors. In cases of light showers, youth will be provided with ponchos and camp will continue outside. In cases of storms, youth will be inside.
- Snacks will be provided and various foods from the garden will be offered for taste tests. **Please be sure to include any food allergies or restrictions on the registration.**
- Any sun protection needs must be mentioned to camp staff.
- Youth will be playing outside and may get their clothes dirty and wet.
- Youth should bring a bagged lunch M-F each week.

Montclair Community Farms is a partnership of community organizations including; Montclair History Center, Montclair State University, Rutgers Cooperative Extension (4-H and Master Gardeners), HomeCorp, and the Montclair Department of Health and Human Services and is sponsored in part by Partners for Health, the USDA and families in the community. The mission of the MCF is to provide community members with access to affordable, local, organic food and education about sustainable organic farming and food sponsored in part by Partners for Health and the USDA.
